

Bio:

Steven Carmina is a founding partner of Carmina Wood Morris, DPC an Architecture Engineering and Interior Design firm. Steve's experience spans more than thirty years of planning, design, and project implementation for a diverse range of projects. A SUNY at Buffalo and SUNY at Alfred alumnus, Steve frequently participates in student critiques to help mentor aspiring architects. An AIA member, Steve is also an active board member of Buffalo Place, Buffalo Hearing & Speech, and Traffic on Main Street.

Presentation Topic:

Carmina Wood Morris, DPC was founded in 2001 and has since completed a diverse cross section of projects contributing to downtown Buffalo's development. Come hear Partner Steve Carmina discuss the importance of such developments and give a general look into the redevelopment process. This presentation will inspire and educate, with the hopes of better explaining the different challenges of the wide scopes these projects bring about, along with what it means to be involved in our city's resurgence.
